2006 AUGUST INTERPRETIVE CALENDAR

NICKERSON STATE PARK

Description of Programs:

Craft Corner – Join Park Interpreter at the Nickerson State Park Nature Center for a craft that the whole family will enjoy! Each week we will learn about something new, like geology, insects, or birds, and make a craft to take home with you.

Nature Exploration – Be prepared to use binoculars, hand lenses, field or pond nets, and field guides while discovering the natural world of Nickerson State Park. Each week we will explore a different aspect of the park. Meet at the Nature Center.

Kiddleidoscope Kids – This series of programs are for the younger crowd! Designed for pre-school age children and a parent or caregiver, these programs introduce a nature topic to the young through stories, activities and crafts. Each week we will explore a different topic. Meet at the Nature Center.

Junior Ranger Program – Come by the Nature Center to learn how to become an official Massachusetts Junior Ranger! You will receive your Massachusetts Junior Ranger Activity Guide and take part in some fun activities with the Park Interpreter. Finish the requirements at home, here at Nickerson State Park or at another State Park and you will be awarded with an official Massachusetts Junior Ranger patch and certificate!

Family Campfire – Join the Interpreter for a fun family campfire. We will roast marshmallows, tell stories, play games, and enjoy a crackling campfire. Meet at the Nature Center.

Night Walk – No flashlights allowed on this exciting walk through the woods at night! Be prepared to learn about the creatures of the night and how they use their senses to survive in the dark. Meet at the Nature Center.
